A vast fund of personal knowledge is really essential to the achievement of the highest excellence in any field of human effort. A Knowledge of Forms, Knowledge of Functions and Knowledge of Products are all of the utmost value and in questions of life and health when a true and wholesome remedy is desired it should be remembered that Syria. of Figs and Elixir of Senna, manufactured by the California Fig Syrup Co., is an ethical product which has met with the approval of the most eminent physicians and gives universal emidaction, because it is a remedy of Known Quality, Known Excellence and Known Component
Parts and has won the valuable patronage of millions of the Well Informed of the
world, who know of their own personal knowledge and from actual use that it is the first
